Summers on The Cape in A Place Like This

When newly engaged Sally Buffington is introduced to Craigville, she meets an expansive Cape Cod cottage that is virtually a family member itself. She quickly finds herself competing for airtime among the talkative, assured band of brothers and her new mother-in-law—the cottage’s lively and confounding matriarch.

Sally, a Cape Cod local, soon wonders how she’ll ever maintain her independence, let alone her sense of self when the day’s agenda and every detail is already set in stone. But, she navigates her new life with quiet persistence and a boundless curiosity that guides her to explore life through the creative lens of her camera and her pen.

Sally writes with a whimsical candor that is both honest and humorous. Through poetic prose and heart-felt reflection, *A Place Like This* reveals the beauty of Cape Cod and shows us that sometimes the simplest of moments bring us the most lasting joy.

SALLY W. BUFFINGTON is a writer and photographer, also a classically trained musician. From her home in southern California, she migrates back to native ground in Massachusetts, especially her spiritual homeland of Cape Cod. Writing lyrically and imaginatively, ever aware of sensory experience and memory, Buffington takes the reader into her thoughts wherever she finds herself.
